You can continue the party Friday night with LeBron James (right), Chris Bosh and Dwyane Wade when the three Miami Heat stars hit Mansion nightclub on Miami Beach just after the season-opener at AmericanAirlines Arena.

The James-hosted official after-party, complete with red carpet, DJ Irie spinning and a list of celebrities that organizers say is growing by the minute, will begin just after the Heat's game against the Orlando Magic. The party is open to the public, with \$50 tickets on sale at [trilogyalistparty.com](http://trilogyalistparty.com). Proceeds benefit The Motivational Edge, Inc., a nonprofit 501(c)(3) that provides academic and music programs to underprivileged and underachieving students in South Florida.

Mansion is at 1235 Washington, Miami Beach. More info: [mansionmiami.com](http://mansionmiami.com), 305- 695-8411.
